

10 means, responsive to said user interacting with said
11 displayed tool, for dynamically updating said display so that
12 only [those of said] the symbols representing data values
13 meeting the data criteria currently established as a result of
14 said user interacting with said displayed tool are displayed on
15 said display.

R E M A R K S

Claims 33-38 stand rejected under 35 USC 112, second paragraph, as being indefinite. Claims 33-38 have been amended to deal with the rejection. Specifically, claims 33, 35, 37 and 38 have been amended to deal with the asserted indefiniteness of the term "those". Claim 33 has been further amended to deal with other asserted indefiniteness problems. Claims 34 and 36 have been amended to respectively deal with the asserted indefiniteness of the terms "a line" and "to control".

It is respectfully submitted that claims 33-38 are in a form for allowance and withdrawal of the rejection of those claims is respectfully requested.

Respectfully,

Frederick B. Luludis
